“Staying Open for Business After Disasters”

**October 12, 2023
9:00 - 10:30am (PST)**

The effects of disasters on businesses can be quite profound:

More than one in four businesses will experience a significant crisis each year; of those businesses that experience a disaster and have no emergency plan, 43 percent never reopen; of those that do reopen, only 29 percent are still operating two years later.

Join us for this informative webinar to learn key planning activities and simple approaches to get an emergency and recovery plan in place for your business.

Our presenter, Chris Wright, is the current BICEPP President and an experienced emergency and business continuity planner with over 30 years of knowledge helping businesses prepare for, manage, and recover from a variety of business impacting emergencies.

Free to current BICEPP members (\$20 for non-members).
