In his own time, Gary has attended every company CERT class as a mentor, guiding new CERT students as they learn and grow as CERT volunteers.

Gary is a proven leader at the NBCUniversal annual disaster drills as well as with the CERT Competitions. Gary was part of several winning teams at the BICEPP Competitions in 2006 and 2008 as well as the subsequent Burbank Fire Corps competitions. Gary helped lead his teams to many statues.

Gary holds a Extra level amateur ham license exam; was very quickly accepted into the LAFD's Auxiliary Communications Service and is involved with several weekly ham nets and has gone above and beyond with ACS serving as a Communications Liaison in many functional operations, including Baker 2 Vegas and several desert long-distance marathons.

Finally, with his Emergency Medical Responder certification, Gary volunteered as a First Aid Station rover in several Rose Parades as well as provided communication services to MedCom during these parades.

For all of this, BICEPP is awarding Gary with our Award of Excellence.
