The 4th Annual Los Angeles District Office SBA Faith-Based Small Business Summit provides businesses and faith-based organizations with timely and practical information to be financially-sound, operationally-fortified and risk-prepared in order to accelerate business growth and guard against threats that can derail success.

Featured workshops and presentations include:

- Business Growth Strategies
- Capital Development: Faith-Based Community Economic Development
- Cyber Security & Your Business
- Ready-Set-Go: Planning for Emergencies & Financial Disasters

The Summit will also feature a Resource Fair with community-based and government organizations providing business strategies, financial access, risk management and emergency preparedness information.
