“The Great California Shakeout”

On October 15, 2009, The Earthquake Country Alliance and many partners throughout California are holding the “Great California ShakeOut Drill.” Businesses, public places, schools and government offices in California will practice what to do during earthquakes.

Two Great BICEPP Programs to prepare you and your business for the drill

Tuesday, August 4: “The Great California ShakeOut 2.0 Tabletop Exercise”

This exercise focuses on the private sector and deals with response and recovery issues. Each participant will receive a comprehensive package to take back to their organization so they can conduct their own tabletop exercise. This TTX is the first in a series of exercises and additional workshops covering the months after the event.

Time: 8:30 AM to 12:30 PM * **Location:** North Net Training Center, Anaheim

Cost (Member): \$65 - (Non-Member): \$90

Comments about BICEPP’s Golden Guardian 2008 “The Great Southern California ShakeOut” tabletop exercise:

Adriana van West, BCP Programs Manager, AEGON/Transamerica. “I would have paid twice as much to attend this exercise.”

Michael L. Lyman, CSP Senior Manager-Corporate Safety, Irvine Company. “It was great to be able to bring a TTX back to our organization.”

Terri Chapman, CBCP Business Continuity Program Manager, Delta Dental. “The exercise was fun and interactive and provided the private sector with excellent take-home materials to help improve existing plans.”

Friday, August 14: Online Webinar “Maximizing the Benefits of the Great ShakeOut for Your Company” - Topics include: * Strategies to get everyone throughout your organization to ‘Drop, Cover and Hold’ at 10:00 AM * How to create and deliver an Earthquake Preparedness Campaign * How to coordinate an excellent Emergency Preparedness Fair

Time: 9:00 AM to 11:00 AM * **Cost** (Member): FREE - (Non-Member) \$30
