Emergency Planning and
Preparedness**

Staying Open for Business After Disasters ***A 2-Hour Webinar Presentation***

COURSE INSTRUCTOR

Chris Wright – Amgen, Inc.
BICEPP Board Member

WEBINAR GOAL

Share information and experience in order to help businesses prepare for disasters in an effort to decrease injuries and property damage and expedite business resumption.

COURSE OBJECTIVES

- Gain understanding of how disasters can affect your business.
- Learn ways to reduce damage and injuries before emergencies.
- Discover how to reduce costs of preparedness and recovery.
- Review a sample emergency plan.
- Become familiar with community resources.
- Review written information to share with employees.
- Ask questions and get answers.

MATERIALS PROVIDED

Each attendee will receive a CD with the course materials that includes many easy-to-use checklists as well as other useful planning documents.
